NOTICE re; Wednesday Night Openings

Due to increased attendance and resulting costs it has become necessary to treat Wed. nights as a regular opening. Therefore, beginning Wed., October 20th, a nominal admission of 50¢ for members and \$1.00 for non-members will be charged. This charge will provide for a regular employee at the door and one behind the bar and cover the added costs encountered. Coffee will still be free!

This action will further add to your protection and convenience and will take a load from the volunteer help of the entertainment committee. A special thanks to all those who have helped make the mid-week opening a success; both volunteer help and participants.

Exerpts from the Minutes:

- six new memberships have been approved bringing the total membership to 241
- new record purchases have been approved (if you have any requests, please leave suggestions giving title and artists at the front desk)
